*No. 5*

Dear Parents, Carers and Friends

Congratulations to the children from Year 5 & 6 Otters Class who took part in the hockey tournament at Cheney this week. Our school was represented by a team of girls, a mixed team and a team of boys. The boys and girls both came second in their competition and the mixed team came overall first! Congratulations to everyone for representing the school so well.

Many thanks to everyone who attended our Harvest Festival last week, and well done to the children and staff who worked so hard to put on a fantastic performance. We raised over £160 through the sale of harvest goods, and later this term the School Council will decide which charity to donate this sum to.

Please remember that the school closes tomorrow, Thursday 23<sup>rd</sup>, at 3:30 for the half term holiday. We re-open for term 2 on Monday November 2<sup>nd</sup>.

Parent consultation meetings will be held in the first week back after the holiday. This will be an important chance to meet your child's teacher and discuss any questions you might have, as well as talking about the targets your child's teacher has set for your child this year. Please do make an appointment this week by filling in the appropriate class sheet displayed outside classrooms.

Tuesday 3<sup>rd</sup> November is the last date for school photograph orders. Please return your orders and payments to the school office by this date, thank you.

Advance notice that Oxford Active will be providing holiday activities once again during the Christmas break. Look out for application forms coming home next term.

I do hope that your children have enjoyed their exciting curriculum projects this term in school. I know that all of the classes in key stages 1 and 2 are busy finishing off their projects this week, and will be sharing their learning with you either this week or early next term. Look out for news of our new projects for next term after the break!

With best wishes from Mr. Lewin, and everyone at the school.
