

6th May 2011

Dear Parents, Carers and Friends

Thank you to everybody for your extra efforts to make our school street party such a memorable event! Everybody seemed to really enjoy themselves, and hopefully you may have seen some of the coverage in some of the local papers. We also took several pictures ourselves which should be on display soon.

Next week will be a very important one for all of our Year 6 pupils, who will be taking their National Curriculum tests (SATs). Good luck to everybody – after all of their hard work throughout the year our children deserve to do really well. Do remember that breakfast club is open for children in Year 6 each morning before school, to encourage them to have a good breakfast before school and to make a calm start to the day. Please do make sure that your children are at school, and on time, every day next week as their will be different tests each day. In warm weather children in Year 6, and all other years, are encouraged to bring in a water bottle (named please) to drink in class.

The residential visit to Hill End for year 3 children takes place on 16th & 17th May. Parents and carers will already have received details, but please do come and speak to me in confidence if you are concerned about being able to meet the cost of this trip.

The building project is progressing well – and we now expect Phase 1 to be completed early in June. We know that there will be extensive ground works in the school during the summer holidays, which unfortunately means that we won't be able to have the usual summer holiday activities on the site this year. At the moment we don't have a firm date for the start of the Phase 2 building works, so for now we are continuing to use the school hall and some of the old classroom spaces.

On May 25th the school photographer will be taking photos of children with their classes. Please make sure that your child is properly dressed in school uniform on this date (and on every other day of course!).

A reminder that this term finishes on Friday 27th May for the half term break, and term 6 begins on Monday 6th June.

With best wishes from Mr Lewin, and everyone at Wood Farm school.

HEADINGTON PARTNERSHIP EXTENDED SERVICES

Ready to try something new?

ADULT LEARNERS' WEEK learn for life 14-20 May

TASTER DAY Saturday 14 May St Andrew's School, London Road 10.00-3.30; doors open 9.30
